Pennicott Wilderness Journeys Cruise Boat Deck

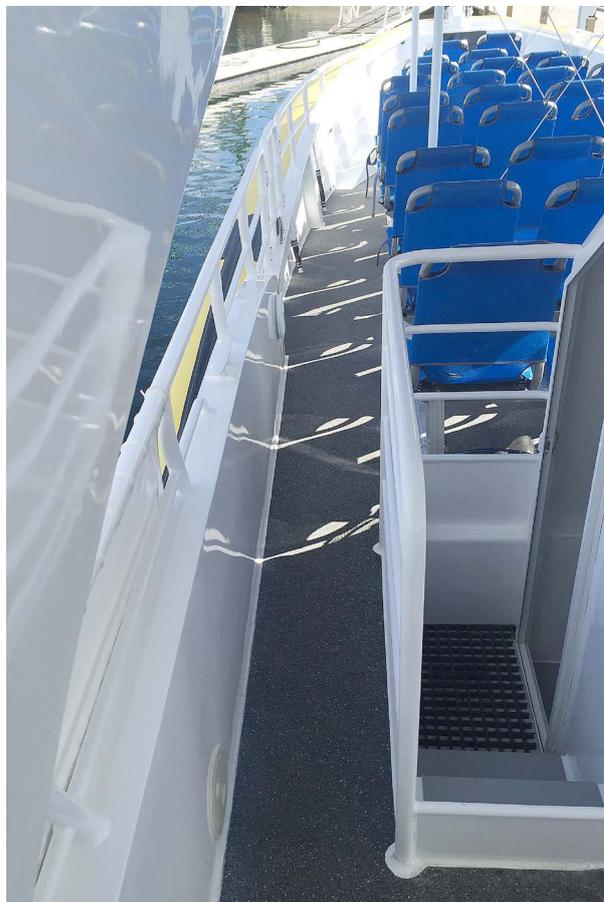

Description of Project:

Cruise Boat flooring

Objective:

Pennicott Wilderness Journeys was founded by Robert Pennicott in 1999 and has become a highly acclaimed operator. It's won multiple awards including the prestigious Australian Award for Excellence in Sustainable Tourism at the 2012, 2013 and 2014 Australian Tourism Awards. Pennicott Wilderness Journeys is 100% Carbon Offset and an Advanced Ecotourism Certified operator. The business is assessed by EarthCheck and exceeds world's best practice standards for efficient water, fuel and energy use.

As such, Pennicott Wilderness Journeys required a Cruise Boat flooring that worked in with their sustainable best practices, whilst also living up to the harsh marine environment. The fact that it also looks fantastic was an added bonus.

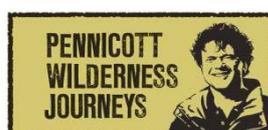

Information at a glance:

Location: Pennicott Wilderness Journeys, Cruise Boats
Bruny Island, Hobart TAS

Installer: R.M. Marine, TAS

Regupol Products:

everroll® Granite Marine Mons - Rolls (50m²)

Regupol®

Pennicott Wilderness Journeys

The custom built yellow boats are ideal for viewing the spectacular coastline and wildlife of Bruny Island. Each vessel holds a maximum of 43 guests. Covered open air tiered seating means an excellent all-round view and connection with the environment.
