## Regupol®

### Ian Thorpe Aquatic Centre

#### **Description of Project:**

Ian Thorpe Aquatic Centre Gym

### **Objective:**

Deliver a gym with cardio and weights rooms that is open all year round, with capacities and finishes in-line with current sustainability standards and benchmarks. The gym was also specifically designed to provide a safe and enjoyable environment to exercise in, using a full range of the latest Life Fitness pin-loaded and free weights equipment.

everroll<sup>®</sup> Vitality Berlin in Tile format helped to provided this safe environment while maintaining a visually enjoyable exercise space. using the tile format made for a quicker installation and easier product handling, resulting in a smarter more veristile rubber floor.
